

A Christmas Newsletter from Washington Roofing!

As we move toward Christmas and the New Year, we're feeling extra grateful for the year we've had here at Washington Roofing. In 2025, we restored over **400,000 sq. ft.** of roofing using elastomeric coatings - keeping an estimated **568 tons** of roofing materials out of landfill. That's something we're *really* proud of, and it's a milestone that reflects a lot of hard work from everyone involved.

We couldn't have done any of it without our amazing crews of qualified applicators, the support of the awesome suppliers we work with, and of course, our customers! Their trust and partnership continue to push the quality of our work higher and higher every year.

And what a fun-filled year it has been!

Back in February, Gaco Western awarded Washington Roofing with an all-expenses-paid trip to beautiful Cabo San Lucas. And no, it wasn't just because we all get along (we do!) or a very, very late Christmas

present... it was because Washington Roofing was named a Top 20 Contractor nationwide! Hard work really does pay off — especially when the reward includes sandy beaches and sunshine. We also want to give a **huge thank-you** to Eric from Gaco for joining us at our Christmas party and presenting our team with the framed award and plaque in person.

Above: John & his daughter McKayla enjoying a trip to Cabo San Lucas!

Above: Moriah Carpenter and John Williams, our CEO's, with Gaco rep. Eric Howell.

Did we talk enough about the team Christmas party? It was a pleasure to host our crews and management team in Great Bend, Kansas. Coming together to share a meal, express gratitude for a great year, and enjoy each other's company made the gathering especially meaningful —particularly in the central Kansas town where our headquarters is located. There is nothing quite like home for the holidays.

As a company built on the foundations of Christianity, this season holds special significance for us. Christmas invites us to reflect with

gratitude on all we've accomplished together and to look ahead with faith and optimism as we prepare for future opportunities. We celebrate together the birth of our Lord and Savior, Jesus Christ and give Him all the glory for the blessings bestowed upon us.

We're excited for 2026, for our **47th year** serving the greater Midwest, and for all the growth and new opportunities ahead. Thank you for reading - we look forward to catching up in the new year...but for now- **have a very Merry Christmas and a Happy New Year!**
