Have you started mowing yet?

Have you started mowing the lawn yet? Many of us can't wait until the weather warms up and allows us to get back into our lush landscapes. Now is the time to tune up that mower, sharpen that blade and dig out those mowing shoes!! Happy Mowing!!!!

Have you inspected your commercial roof??

Now is the time to get on our schedule!!

Do you need a roof inspection? Better to act now than to be sorry later. For a small fee we can inspect your roof and give you some information on cleanup and repairs needed. **Don't wait! CALL NOW!!!! 800-383-3062 or 913-492-1577**

We love roof restorations!!

Elastomeric Coating Re-Coat System

Is your coated roof ready for a re-coat? The following are some of the benefits of re-coating an already coated roof.

- Extend the life of your roof
- Renew your warranty
- Improve energy
- Save on costly repairs and replacements
- Prevent property damage
- Improve aesthetics
