

To our valued customers, reps, & employees,

We want to wish you a safe and happy Independence Day - it's going to be a big one!

Our offices will be closed on Thursday, July 2nd, to give our employees some time to relax before the festivities begin (and some time to fire up those grills!). **We will reopen on Monday, July 6th**, ready to assist you with all of your roofing needs.

We hope you find some time this weekend to gaze up at some fireworks and remember just how beautiful it is to be celebrating **250 years** of independence and freedom!

Just a reminder: Very high temperatures are expected across the midwest, so be sure to follow fire safety regulations if you are setting off your own fireworks.

If you'd rather leave the fireworks to the experts...pack a cooler, bring your lawn chairs, and enjoy one of these *free* firework displays with family and friends:
